KITTY PITY: Percy didn't spot Nodder's 'deformity'

MY CAT'S A DICKHEAD!

By BARNEY SAMUELS
news@sundaysport.co.uk

WHEN Percy Grange saw a picture of Nodder on his local cat rescue Facebook page, it was love at first sight.

The two-year-old kitty tugged at the bachelor's heart strings and in days, Nodder had a new daddy.

But it was only last week that the pussy's deformity was pointed out to a shocked Percy…the white markings on the cat's face are in the shape of a COCK 'N' BALLS!

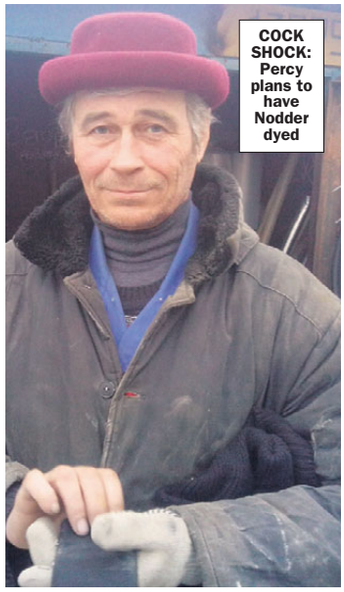
Piano teacher and embroidery tutor Percy, 57, said: "As usual, I'd invited the boys who play football in the field next to my cottage in for a cup of tea and a plate of scones.

"The high-spirited young lads were all muddy, hot and sweaty after their game, but I didn't mind.

"But then one of them pointed at Nodder and said, 'Cock 'n' balls!' Well, I went scarlet! My poor cat is practically an obscene publication!"

Percy, of Budworth, Cheshire, says he will ask his very good friend Raymond – a hairdresser – to dye the offending white patch.

He explained: "I don't want to think of rigid, spurting members every time I look at the cat."



COCK SHOCK: Percy plans to have Nodder dyed

Machete tatt tw*t's machete attack

VICIOUS ATTACK: Justin Couch swung blade at his victim

A NUTJOB with a tattoo of a machete on his face was arrested for attacking someone… with a machete.

Justin Couch, 25, is accused of hacking the victim's forearm with the blade, leaving him unable to move his left hand.

The victim said the incident started when Couch began arguing with him "for no reason" and kicked him out of a home in Tarrytown, Florida.

When the victim asked if he could grab his wallet and mobile phone before leaving, Couch allegedly told him: "There's nothing here for you, leave."

He then "began striking the victim in the arm and leg" with the side of a machete's blade, officials said, adding: "Couch then swung the machete at the victim's face."

The victim put his left forearm up to block his face and was sliced with the blade, before passing out from the pain.

Couch was arrested and charged with aggravated battery.

MONDAY

MANCHESTER United footballer Marcus Rashford forces a Government U-turn on feeding hungry kids during the school holidays.

Of course, he's not the first footballer to help youngsters from deprived backgrounds.

However, they don't normally lobby Government ministers – they just tuck the money directly into the mum's knickers when she finishes her lapdance.

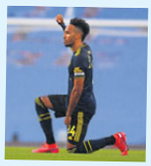
TUESDAY

THE actress-turned-tat-peddler Gwyneth Paltrow releases a candle called This Smells Like My Orgasm.

It costs a whopping £75, which seems appropriate because to own one you have to blow your wad on it.

Still, I might treat myself – if only because it'll be nice to smell a candle and think of an orgasm that was enjoyed by someone other than my boyhood priest.

WEDNESDAY



THE Premier League re-starts with two games played in empty stadia: no fans, no songs, no atmosphere….no point.

It was like the Qatar World Cup come early.

Players began the match by "taking a knee" in support of recent anti-racism protests.

It was a really powerful sight and very unusual. I hadn't seen a sporting contest start with 22 blokes kneeling in a circle before.

Well, not unless you count the "biscuit game" during my time at boarding school.

THURSDAY

THE kneeling routine lands the Foreign Secretary Dominic Raab in trouble when he scoffs that it looks like something from the drama series *Game Of Thrones*.

It's a ludicrous but strangely addictive drama about a power-hungry blonde with big tits who will do ANYTHING to rule the united kingdoms.

Can't think what made Mr Raab – whose boss is the Prime Minister Boris Johnson – think of that.

FRIDAY

TRIBUTES are paid to Dame Vera Lynn, who was the "Forces' Sweetheart" during WWII – which is a polite way of saying she was the first lass in your grandpa's wank-bank while he was waiting to liberate Hamburg.

There's already been calls to honour the 103-year-old with a statue in her home town of Ditchling, East Sussex, or possibly Bristol.

She never actually lived in Bristol but apparently there's a plinth going begging.

SATURDAY

THE English Rugby Football Union says it's considering asking fans to stop singing *Swing Low, Sweet Chariot*.

Firstly, they say it's racist (isn't everything?), but there are plenty of other concerns, too.

Apparently praising "chariots" could be seen to glamourise cars, which cause global warming.

Then you've got "sweet", which is obviously offensive to diabetics.

And as for "swing low"…are they serious about wanting to attract more post-op transsexuals to the game or not?

FURY AS KRISTEN STEWART CAST TO PLAY PEOPLE'S PRINCESS IN NEW MOVIE…

THIS IS AN OUTRAGE – DIANA HAD MUCH BIGGER TITS!

PRINCESS Diana is being brought back to life!

No, don't worry, evil boffins are not reanimating the corpse of the late People's Princess.

She's being brought back to life for the screen.

Twilight actress Kristen Stewart will play Diana in a new film about the princess's break-up from Prince Charles.

Kristen will star in *Spencer*, which will be set in the early 1990s and scripted by *Peaky Blinders* creator Steven Knight.

But not all Diana loyalists are happy.

Kenton Rogers – who MAIMED himself when Diana died in a car crash in Paris in 1997 and renamed his cats Diana, People, and Princess following the tragedy – said: "Kristen Stewart is completely the wrong person to play Diana. It is a travesty.

"For one thing, Diana had much bigger tits."

We may never have seen Diana's knockers but we HAVE had a look at bisexual Kristen's pert pair.

The 30-year-old has got then out in films including *Personal Shopper*, *On The Road*, *Seberg*, *Lizzie* and *JT Leroy*.

Robbie: Brit banter's lost on my wife!

POP star Robbie Williams has admitted his British "banter" falls flat with his Yank wife Ayda Field.

The former Take That singer, 46 (*above*), and the model/actress, 41, met in 2006 and have been married since 2010, sharing four children.

Ayda revealed Robbie had once given her a birthday cake featuring the message: "You're officially the oldest woman I've ever had sex with."

Williams described her reaction to his wisecracks, saying: "I sort of noticed Ayda's face when I started to do the British thing of giving a compliment, then taking it away.

"And her face would fill with all of this love and sort of gratitude for the nice thing that I'd said and then I'd complement that with the thing that takes it away and I saw her face sort of drop.

"And I'm like: 'I'm just doing the banter thing!'"

Trump: I don't care what the snowflakes say, I'm blacking up for my birthday party

HARD TO SWAY: Mr Trump (*above*) and how he might have looked (*left*)

THE horrified screams of Melania Trump brought White House chief of staff, Mark Meadows, running from the West Wing to the Executive Residence.

When Mr Meadows arrived and saw his boss – the President of the United States – he realised why the First Lady had been screaming.

And he said three words he'd never uttered before: "No, Mr President."

For, last Sunday, on his 74th birthday, the 45th President of the United States was standing in the centre of the presidential bedroom in full black-tie evening dress – and BLACKFACE!

A White House insider said: "Meadows has only been chief of staff since March and he knows President Trump changes chiefs of staff like other people change their socks.

"He knew that saying no could be the end of his career in the Trump administration.

"But he knew he was staring a public relations disaster square in the face – a disaster that could spell the end of the United States.

Damned

"At first the President was immovable. He said that he'd worn blackface on every birthday since he was 21 and he was 'damned if some snowflakes' were going to stop him this year.

"Meadows used all his tact and skill to persuade the President that, with race riots across the United States and the country on the brink of civil war over the death of George Floyd, appearing blacked-up would lead to catastrophe.

"President Trump was all for standing his ground right up until

By BRAD CHADWICK
news@sundaysport.co.uk

Meadows suggested that a mob could storm the White House and 'tear him limb from limb'.

"That swung the President and he immediately shouted for the First Lady to fetch some of her makeup removal cream."

And so, President Trump walked down the stairs into the White House ballroom and joined his 74th birthday party WITHOUT the controversial makeup.

President Trump's fondness for wearing blackface – the hugely controversial blacking-up of a white person – is well known.

Back in 2017 he attended a fundraiser in the getup, which is seen as deliberately demeaning to black people.

A source close to the President said: "Mr Trump has pulled some pretty controversial stunts over the years.

"But for a billionaire, he is one hell of a dumb jackass."

China troops wore cock 'necklaces'

CHINESE troops cut off dead Indian soldiers' PENISES and hung them round their necks as grisly PENDANTS, after forces clashed on the disputed border between the two countries.

India has said its soldiers were mutilated after being beaten to death by Chinese troops and revealed the shocking nail-studded clubs used at the Himalayan border.

Twenty Indians were killed in the clash last week – the first deadly conflict between the two nuclear-armed countries since 1975.

China said it suffered 43 casualties, but did not specify whether any of its men had been killed in the grisly hand-to-hand combat in the Galwan Valley, Ladakh.

India later claimed after their men were savaged with studded clubs, the Chinese People's Liberation Army mutilated their corpses.

Dad catches doggers as he does washing-up

BONKERS: Randy pair have public sex in car

A DAD-OF-TWO was shocked when he looked out of his kitchen window – to see a randy couple having SEX in a car across the street.

Will Oliver was doing the washing-up when movement in a Ford Focus car outside caught his eye.

And he was taken aback when he glanced through the window and saw the couple energetically dogging in the red car.

The man was lying back in his seat while the half-dressed woman was bouncing up and down on top of him.

Will, 31, from Basildon, Essex, said: "I was a bit shocked, to be honest. They weren't exactly being discreet.

"They were there for about half an hour, from around 7pm to 7.30pm, before they drove off. I caught a glimpse of them but I didn't recognise them.

"I was only glancing at them for about 30 seconds.

"I have two young girls, aged six and two, so I had to make sure they weren't going to look out the window."

Will said he has never seen any doggers around his block of flats before.

Kelly: Being skinny was more stressful

KELLY Clarkson says she felt "more pressure" in the music industry when she was THIN.

The *Since U Been Gone* singer, 38, *(below)* revealed she used to be shown magazine covers of naked women and told "this is what you're competing with".

Kelly, who won the first season of *American Idol* in 2002, said: "I felt more pressure from people actually when I was thin, when I was really thin and not super healthy, because I was worn out, working so hard and not keeping healthy habits.

"But I felt more pressure – it was more of magazines shoved in front of you and, 'This is what you're competing with and we've got to compete with it'. I can't compete with that.

"That's not even my image. That's not who I am. That's who they are.

"We're all different and it's OK. I fought more when I was thinner than I do now.

"I'm happy in my life. I'll work on me in my time!"

Soprano threatened to beat Weinstein to pulp

JAMES Gandolfini once became so upset with Harvey Weinstein that he wanted to "beat the fk" out of The perv mogul.**

Appearing on *The Joe Rogan Experience*, Gandolfini's *Sopranos* co-star Steve Schirripa recalled a moment when the deceased burly actor wanted to beat up Weinstein because the since-disgraced movie tycoon kept pressuring him to appear on late-night talk shows.

According to Schirripa, Gandolfini (*below*) – who died of a heart attack in 2013 – didn't want to do these sorts of shows because he didn't think he was "interesting".

After Gandolfini starred in the Weinstein Company's 2012 film *Killing Them Softly*, Schirripa remembers sitting in the late actor's trailer and hearing him complain about Weinstein nagging him to promote the film on *The Late Show With David Letterman*.

Schirripa said: "He said, 'Harvey Weinstein keeps calling, he wants me to do *Letterman* and I said no'.

"He got fking nasty with Jim. And Jim said, 'I will beat the f**k out of Harvey Weinstein! He f**king calls me again, I will beat the f**k out of him! For the money he paid me, I'm not f**king doing it!'**

"And this is before all the Weinstein shit when he was still king shit."

Networks hire private dick to find racist celebs

A GROUP of big Yank TV networks, including CBS, Showtime, MTV and VH1, have employed a private investigator to probe their own stars' social media accounts – to root out any damaging RACIST comments.

The move comes after a spate of celebrities were recently fired over resurfaced racist posts. Bravo axed *Vanderpump Rules* stars Brett Caprioni (*below*) and Max Boyens for offensive tweets, and last week the network canned *Below Deck Mediterranean* star Peter Hunziker for a racist Instagram post.

Meanwhile, the CW channel fired Hartley Sawyer from *The Flash*, and MTV let go *Teen Mom*'s Taylor Selfridge for similar offences, although she claims she quit.

Now several networks have hired Californian firm Edward Myers & Associates to try and root out offensive posts from on-air and production talent before they're made public and embarrass their bosses.

Coronavirus kills Krankie return to UK

THE Krankies have revealed how they're stranded in Australia and could be stuck there until October.

Showbiz legends Ian and Janette Tough (*above*), both 73, said their planned flights home next month were axed indefinitely.

It comes after the entertainers, who flew to their Gold Coast holiday home back in February, were forced to delay returning last month due to the coronavirus crisis.

Ian said: "The Aussie national airline Qantas has just announced they won't be resuming international flights until October so we're literally in it for the long haul.

"I suggested we sail back to Britain but all the cruise ships have been cancelled.

"I started looking at cargo ships but Janette told me I'd be going myself.

"So at this rate I might have to send Wee Jimmy back by FedEx."

Janette added: "We're stuck. But with the sun and the beach I guess there are worse places to be stranded."

Mum beheader denies murder

A WOMAN accused of decapitating her own mother with kitchen knives then throwing the severed head on to a neighbour's lawn has pleaded not guilty.

Jessica Camilleri formally entered a plea of not guilty for allegedly stabbing her mother Rita Camilleri on July 21 last year.

Appearing via videolink from Silverwater Women's prison, in New South Wales, Australia, she said clearly: "Not guilty for murder... not guilty for murder".

Mrs Camilleri, 57, died and was allegedly decapitated at home and her head discarded on a garden in the far western Sydney suburb of St Clair.

Prosecutors oppose a judge-only trial application lodged by Ms Camilleri's defence, which will be heard on July 20.

STROKES OF BAD LUCK: Pool rules will infringe our rights

BORIS Johnson's government has been accused of "pandering to snowflakes" and being "spineless" after new rules for reopened swimming pools emerged.

By SIMON DEAN
simon@sundaysport.co.uk

Swimming baths were among the first facilities to close in March as the Chinese death plague swept in from the bat-eating Orient.

But with infections rates slowly falling the swimming community is looking forward to returning to the water, maybe early next month.

A rulebook, entitled 'Returning To The Pool', has been developed by Swim England, the sport's governing body, along with the Department for Digital, Culture, Media and Sport, ahead of a government decision on the reopening of pools.

Penis

But buried away in its pages are recommendations that could change the face of swimming FOREVER, traditionalists fear.

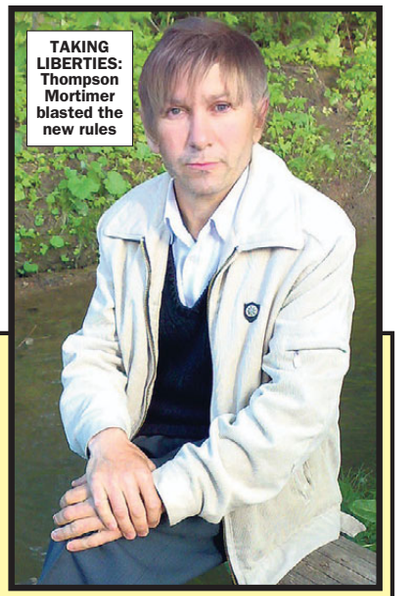
The new rules include bans on, masturbation, furtling, groving and even BACKSNURGING.

One furious swimmer took to Twitter to rage: "We know what is not allowed in swimming pools: petting, smoking, bombing, ducking, shouting or acrobatics.

"Everything else should be allowed!"

Last night a government source said: "We are following the science. The scientists tell us that the close proximity involved in groving (putting your penis is a lady's hand and starting to cry) is a sure-fire way to spread the virus.

"Backsnurging is less risky but not without risk, and as for furtling – that should never have been allowed in swimming pools anyway."



TAKING LIBERTIES: Thompson Mortimer blasted the new rules

'This is beyond draconian,' says council boss

A LEADING proponent of healthy swimming and masturbation has slammed the new rulings as a an unecessary intrusion into ordinary people's lives and a sneaky attempt to criminalise them.

Condeming the move, Thompson Mortimer of the Thames Valley and South Coast Swimming Council says that they are a direct assault on swimmers' liberties.

He said: "For generations, the signs have told us what is not allowed in the swimming baths but the spineless Tories, in fear of the snowflakes, have used COVID to slip in these new bans.

"Is a democracy worth its name if a man cannot discreetly masturbate in his own local swimming pool?

"It is very telling that these new rules have been slipped into a weighty document detailing the new dos and don'ts of the nation'swimming baths.

"It is almost as though they are hoping to catch people out and criminalise them.

"These rules are unnecessary, unworkable, intrusive and beyond draconian.

"Boris Johnson should be ashamed of himself."

FANCY A WEE SHAG? Nicola Sturgeon has let Scots off the leash

Scots' joy as minister lifts bonk ban

SCOTTISH First Minister Nicola Surgeon has been nicknamed 'the Sex Fairy' after she gave the green light to SHAGGING north of the border!

Sturgeon gave Scotland some welcome relief when she announced that couples who don't share a home – and where one lives alone – can be "reunited indoors without physical distancing".

It reflects the relaxation of rules announced by Boris Johnson for England a week earlier.

However, pundits predicted Sturgeon would get a poll boost as she let randy Scots off the sex leash.

One Twitter user wrote: "Did Nicola just say we're allowed a shag? I predict a baby boom in nine months."

Another tweeted: "Everyone in Scotland, simultaneously pounding keyboard, shagging shag-GING SHAGGING".

Meanwhile, another user quipped: "I love the smell of government authorised sex in the morning."

Scots comedian Janey Godley was back with another hilarious voiceover video as she said: "The pumping can begin!"

And one Scot praised the First Minister's handling of the new rule, and wrote: "It is a rare politician who can offer the same level of comfort and sincerity to folk who want to see their nana, as they do to folk who want to shag that person they've been talking to on Tinder for a month."

Another commented: "Forget the Tooth Fairy – the FM is the Sex Fairy!"

THE VOICE OF YOUR BRITAIN

White House leads straight to nuthouse

IS the President of the United States – the most powerful man in the Free World – in the grip of some dreadful brain-rotting malady?

The evidence is building.

Recently, he was unable to hold a glass of water one handed.

Problem drinkers would be able to recognise a symptom of the "shakes" but we know Mr Trump is not a drinker. Nary a drop of liquor passes his presidential lips.

And last weekend, at the West Point Military Academy, Mr Trump struggled to walk down a gentle slope – looking for all the world as though he was about to tumble to the ground.

His intemperate ejaculations on the medium of "Twitter" could also be taken as evidence of an unsteady mind.

But surely the killer piece of evidence comes from the President's birthday party last weekend.

With his mad realm in flames fanned by racial disharmony, Trump reportedly BLACKED UP for the event.

What kind of deranged reasoning would think such a course of action was appropriate at ANY time – never mind at an anxious juncture like this?

Is this man deaf to the tormented cries of his people?

If so, he should be expelled from office in November.

Or has the President lost all capacity for rational thought? Has an already-impaired mind been completely unhinged by the pressures of office?

If THAT is the case – for the sake of the great republic of the United States and for the safety of the world's freedom-loving peoples – President Trump must at once be led gently from office and confined to an asylum.

It's a family affair

IN today's Sunday Sport, a woman tells how her father had a "sex change" and is now conducting an affair with HER husband.

Twenty years ago, such a tale would certainly have stretched the boundaries of credulity.

In 2020, it's almost a crime to find it in any way remarkable.

SEXY EURO SHOPPERS BEFORE THE F**KING VIRUS

By BRAD CHADWICK news@sundaysport.co.uk

IN the world of COVID-19, ordinary things have become extraordinary...

When the shops opened on Monday, vast crowds formed outside stores that had been barred and shuttered for three months.

But shopping has lost its innocent air of blithely feeding the insatiable maw of consumer society – now, every other shopper is a potential germ-infested killer, and social distancing, hand sanitising and fear are our shopping companions.

And it all used to be so different...

In Europe, ladies were so relaxed when they went shopping, they frequently flopped their teats out.

Here's a little photo feature to recall those lost, carefree days...

BARGAIN BUSTERS: Ladies love to snap up good deals

SHOP TILL YOU DROP 'EM: Euro babes love to flash the flesh all round town

Christ held after naked 'freak out'

A MAN named Christ told police that he was Jesus and knows the cure to COVID-19 – after he was arrested for being naked in a neighbour's garden.

Cops responding to an indecent exposure call found Christ George Burkhammer, 53 (*above*), nude in the neighbour's back yard.

A witness told cops that Burkhammer had gone to a nearby store to buy something for his lawnmower.

When Burkhammer returned, he started to act erratically – taking off his clothes, laying on the ground and starting to eat leaves off a bush, before walking down the street in the nude.

Burkhammer told police he was working on his lawnmower and might have inhaled starter fluid, which could have impacted his behaviour.

Police found a pill bottle while on the scene with a substance that appeared organic, but had a strong chemical smell.

Burkhammer is being held for indecent exposure and public intoxication.

Fury at statue toppling tips

A MAGAZINE has come under fire after publishing a detailed guide on toppling statues.

The article in *Popular Mechanics* was written by James Stout, who says he was inspired by attacks on "problematic monuments" with a "legacy of racism".

In it, he said: "Should you happen to find yourself near a statue that you decide you no longer like, we asked scientists for the best, safest ways to bring it to the ground without anyone getting hurt – except, of course, for the inanimate racist who's been dead for a century."

A mechanical engineer then advised how – with about 70 strong friends – protesters could pull down most statues with 4×4 recovery straps "around the head or neck."

Many readers accused the magazine of going "full Taliban".

I noshed off a stranger to jump the queue at Primark

KNICKERS TO THAT: Mel gave fella a blowjob for letting her jump queue

WHEN Mel Stanford ran out of fresh knickers, desperate times called for desperate measures.

The 45-year-old furloughed barmaid had grown fed up with having to wash and rewash her ageing undercrackers while the shops were closed due to coronavirus.

So when her local Primark store in Birkenhead, Wirral, finally announced plans to open its doors again last Monday morning, she shrieked with joy.

By JUSTIN DUNN
news@sundaysport.co.uk

She said: "I was made up. I could finally bin the pairs of knickers with stretched elastic and the ones that were going grey. They looked terrible on the washing line."

But what she hadn't considered was the entire nation's desire to get inside the doors of one of Britain's biggest cut-price fashion chains.

"It wasn't opening until nine o'clock so I went up there a couple of hours earlier with a flask of tea and a decent fleece, just in case there were queues," she said.

"And of course, when I got there, there was a massive bloody queue stretching round the block.

"I was looking despairingly at it when one fella already in line asked if I wanted to jump in.

"No-one seemed to be taking any notice so I agreed and slipped in front of him.

"Then he said with a wink that I could thank him later, and seeing as I would've been at least another hour standing in that queue otherwise, I laughed and said yes."

When she finally go into the store Mel was able to purchase a pack of six of clean white panties and a pyjama set before linking up with her handsome knight in shining armour once back outside.

She said: "I led him round the corner to the side of the closed Garrick Snug pub, pulled his todger out and gave him a quick blowjob, which he really enjoyed.

"It was the least I could do in return for having fresh underwear after months of wearing old togs.

"And it means I have even more reason to visit Primark than just my rotten knickers!"

'Pervert' doc put tits-out pics of intern on Instagram

A PLASTIC surgeon posted topless photos of his former intern on social media and his company website, it's alleged.

The unnamed intern says that Dr David Shokrian posted a tits-out pic of her captioned "my favourite medical assistant" in November last year.

Court documents state: "The Instagram photo was then tagged to the complainant's account as well as another of her former employers."

Shokrian and a nurse who works with him were able to get the pictures off the victim's phone after hacking it.

Both incidents happened roughly two months after the woman's internship ended in September.

The victim also says Shokrian found ways to "regularly" rub his penis against her while at work, by pretending it was unintentional, the court papers allege.

He also exhibited disturbing sexually deviant, depraved and unethical behaviour toward patients who were anaesthetised and were naked at the HQ of Millennial Plastic Surgery in New York.

The lawyer who represents the doctor and his practice, has yet to review the lawsuit.

KINKY EMMA'S UNDIE A SPELL!

THE best thing about being freed from lockdown for angelic Emma Glover?...

She gets to go shopping for sexy new SMALLS!

Emma says she's OBSESSED with LINGERIE and on Monday, when the shops opened again, she went on an underwear shopping spree.

The 29-year-old brunette beauty, from Brentwood, Essex, says her mood helps her pick out certain sets.

She said: "I absolutely love lingerie, I think I'm obsessed. So whenever I see a nice set, I just have to buy it.

"My mood dictates whether I wear a kinky peep-hole set or a pretty, lacy set – the hornier I am, the naughtier the undies."

Despite boasting a perfectly-rounded pair of 30G boobs, Emma insists it's her bum which looks best when she's "dressed up".

She added: "Bra shopping is always fun with my boobs, but I prefer how my bum looks in a thong!"

RANDY MUM IN HOT TUB GANG BANG WITH FIVE TEEN LADS

LESSONS IN LOVE: Amanda Steele

Stunna filmed orgies with boys

A MUM encouraged underage Mormon lads to skip scripture class and join her for lockdown-busting sex romps in her hot tub.

Amanda Katherine Steele, 34, had sex with up to FIVE boys at a time – and many of the consensual escapades were FILMED.

Multiple boys came forward claiming they had sex with Steele on numerous occasions.

The boys would skip school at the Latter-Day Saint seminary in Arco, Idaho, and romp with Steele, often in her home hot tub.

According to cops, Steele lay back in the bubbling water while the lusty lads took turns to pump her willing vagina with their rigid, teen cocks.

By BRAD CHADWICK
news@sundaysport.co.uk

After the last boy had finished, cops said, Steele got out of the water and fished the lads' semen out of her vagina with her fingers before then dribbling it into her mouth "like an adult movie star".

Anal

Steele also reportedly encouraged the lads to have anal sex with her and URINATE on her naked body.

While the boys considered the sex acts consensual, in Idaho a minor who is 16 or 17 years old cannot legally consent to sex with adults who are more than five years older than them.

It was Steele's former father-in-law who reported her to cops after reportedly hearing rumours that she was hanging out with boys.

Steele and the victims gave detectives conflicting stories.

Finally, her ex-husband confessed that Steele had admitted having sex with the underage boys.

He said he once arrived home to find his wife romping with one of the victims in her hot tub.

Allegedly there were also videos of Steele's encounters with the boys but the files were apparently destroyed.

Last week District Judge Darren Simpson torpedoed a plea deal agreed between prosecutors and Steele's attorneys which would have had her serving less than a year in jail.

Man has his guts spilt for confronting thugs

A MAN was brutally DISEMBOWELLED when he made the mistake of asking a group of thugs "What are you looking at?"

The 28-year-old victim was walking along the street when he noticed the group of toughs "eyeing him aggressively".

When he asked why they were staring at him one of the group marched over and sliced at his stomach with a blade, believed to be a large hunting knife.

The victim's intestines spilled out onto the pavement in the Bronx, New York.

He managed to haul them in and stumble over to a nearby fire station, where paramedics were called, cops said.

The eviscerated man, whose identity wasn't released, was taken to hospital where his condition is said to be stable.

Anarchists battle over naming of their zone

A ROW has broken out between leftie activists who have taken over part of a Yank city.

Anarchists and idlers in Seattle have set up what was first known as the "Capital Hill Autonomous Zone," or CHAZ – a six-block radius around an empty police precinct.

The move was apparently sparked by the death of George Floyd, 1,600 miles away in Minneapolis.

But some protestors want to change the name of the zone to "CHOP," or Capitol Hill Organized Protest.

One, Maurice Cola, said that he and his followers wanted the change to better reflect the organisers' message.

He said: "This is not an autonomous zone. We are not trying to secede from the United States."

Yet another group want CHOP to stand for "Capitol Hill Occupied Protest".

Now it appears that the three sides – all of whom are anarchists who shun the machinery of state – will ask a judge to decide what their rebel enclave should be called.

One onlooker said: "This is like the Judean People's Front bit in the *Life of Brian*. They really are nincompoops."

Cops 'OK' with KKK dog walker

A man was spotted casually walking his dog while wearing a Ku Klux Klan hood and robe.

Cops said the man, identified as Charles Booth, 50, was "out walking his dog, wearing a Ku Klux Klan shirt, drinking a beer and waving at traffic" in Conover, Wisconsin.

Officers contacted Booth after getting angry calls about him but won't face any charges for his hateful get-up since there was "no traffic problem", Sheriff Joseph Fath said.

Booth told cops he was "just taking his dog for a walk," Fath said, adding that the man wasn't violating any laws with his KKK regalia.

He continued: "I realise that it may be offensive to some people, but it's not a crime."

EYEBALL-RIGHT

A NEW virus that causes victims' EYEBALLS to drop out and FEET to fall off will "probably" not spread to the UK from Malaysia, health officials have reassured.

WITH THE WORLD IN FLAMES, BEING POLITICALLY-CORRECT IS MORE IMPORTANT THAN EVER. TAKE OUR QUIZ TO FIND OUT...

HOW WOKE ARE YOU?

By BARNEY SAMUELS news@sundaysport.co.uk

FROM "taking the knee" to knowing that a woman can no longer be described as an "adult human female", modern life is a minefield at the best of times.

Step out of line and you'll find yourself shunned, heckled, subject to a Twitter "pile on" or even "cancelled" – whatever that means.

But what we used to call "political correctness gone mad" a few years back now rules the roost, and the new high priests of PC call themselves "woke".

Like many things unpleasant, this madness comes from across the Atlantic.

However, this is the modern world we now live in.

Will you cope with this new life of constantly walking on minority-aware eggshells?

Take our quiz to find how "woke" you are...

1 YOU visit the in-laws' house and the wife's dad reveals he has just bought a box set of *Fawlty Towers*. What do you do?
a) Say: "It's OK, but I preferred *Love Thy Neighbour*."
b) Watch and chuckle at the hapless antics of Basil Fawlty.
c) Wet your pants, start to cry, publish the in-laws' address on Twitter, demand it is picketed by a mob and get your father-in-law sacked from his job with the council.

2 YOU see a man in a woman's dress walking down the street. What do you do?
a) Chuckle "what an oddball" to yourself.
b) Shrug and walk on. None of your business and takes all sorts.
c) Wet your pants, start to cry, run over and embrace the bewildered crossdresser then hold a vigil for "her brave stand against the CIS-oppressors."

3 THERE'S a statue in your town of the man who built your local hospital and library. You find out that before he died in 1767, the man had owned slaves. What do you do?
a) Go and give the plaque a bit of a polish and threaten to thump anyone who damages the statue.
b) Shrug and get on with your life. It was more than 200 years ago.
c) Wet your pants, start to cry, then try and topple the statue with your puny vegan arms while yelping: "AIEEE! The statues must fall!"

4 MOST people hate their job. If you could change it, what would your ideal job be?
a) Bouncer.
b) Fighter pilot.
c) LGBTQQI+BAME inclusivity outreach co-ordinator.

5 YOU are at a church jumble sale and notice that someone has donated a controversial "golliwog" money box. What do you do?
a) Snap it up. £1? Bargain!
b) Wince and say to yourself: "That's going to cause a right rumpus..."
c) Wet your pants, start to cry then go full-on "Jesus among the moneylenders at the temple" – trashing the jumble sale, denouncing the vicar on Twitter and shitting in the church entrance.

6 YOUR 89-year-old granny describes a much-loved TV personality as "that funny coloured gentleman". What do you do?
a) Say: "Funny? He's about as funny as a dead dog at a petting zoo!"
b) Say: "Oh Gran, you should be careful who you say that in front of..."
c) Wet your pants, start to cry, publish your gran's photo and address on Twitter and post a video on Instagram denouncing the old dear as a hate criminal.

7 YOUR favourite comedian is?
a) The late, great, Bernard Manning
b) Jimmy Carr
c) That unfunny c**t off BBC3.

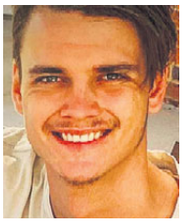
8 YOU watch the old movie *The Dam Busters* on the telly one afternoon. What do you do?
a) Cry out: "Take that, Boche!"
b) Fill up slightly when you imagine the incredible bravery of the men of Bomber Command.
c) Wet your pants, start to cry and post a TikTok video of you smashing up the telly when you realise what Guy Gibson's dog is called.

9 YOU are a film star who got their big break in the *Harry Potter* films, which made you insanely wealthy. Then you hear that author JK Rowling has made some comments that have upset the "trans" community. What do you do?
a) Say: "Well said, Joanne."
b) Keep your f**king trap shut, avoid what is a controversial subject and buy another yacht.
c) Wet your pants, start to cry and loudly denounce the person who made you stinking rich. While keeping all the money you got for the *Harry Potter* films, natch.

10 YOU have always described women as being the following:
a) Pussy.
b) Women.
c) Individuals who identify as female.

HOW WOKE ARE YOU?

MOSTLY A: Oh dear! You are not woke at all.
MOSTLY B: Must try harder. You may still raise *Guardian* readers' eyebrows and make them wet their pants, or start to cry, etc.
MOSTLY C: Congratulations! You are a self-important, sanctimonious, joyless little prig. You are definitely "woke"!



Meth nutjob's nude rampage on farm digger

A NAKED man was caught joy-riding a mechanical digger in the early hours of the morning.

A court heard that Nathan Neagle was starkers when he crashed the Bobcat machine into the side of a barn.

Neagle (*above*), 24, had already crashed the digger, which he'd taken from a low-loader in a farm yard, through seven gates, destroying them totally.

After crashing the machine, he ran off – still naked – with the farmer in hot pursuit.

On his arrest, police in Albury, New South Wales, dressed Neagle, who said he had no memory of what he'd done as he was high on crystal meth.

He was charged with drug possession, taking a vehicle without consent, destruction of property and carrying a knife.

He remains in custody for drug rehabilitation until his court case on October 24.

Soap uses dolls for distance sex

YANK soap opera *The Bold and the Beautiful* has found a creative way to film its intimate sex scenes in the social distancing era: Using BLOW-UP DOLLS.

Bradley Bell, executive producer, said: "We have some life-like blow-up dolls that have been sitting around here for the past 15 years, that we've used for various other stories, like when people were presumed dead.

"We're dusting off the dolls and putting new wigs and make-up on them and they'll be featured in love scenes."

Bell added that for intimate scenes that also involve touching – and a live body that can move – spouses, provided they test negative for the virus, can be used.

The CBS soap resumed filming last Wednesday following the pandemic lockdown.

I'm a drunkard, I play with myself in the high street and I've just shat my trousers... but I'm NOT Dominic Raab!

LOOKALIKE TRAMP IS FED UP OF BEING MISTAKEN FOR TOP TORY

STANDARDS: Homeless Arnold Bishop

By SIMON DEAN simon@sundaysport.co.uk

UNSTEADY Arnold Bishop is a familiar sight to the folk of Leamington Spa...

One day he can be seen furiously masturbating in the high street over his battered copy of porn magazine *Escort*, while the music of his favourite Bonnie Tyler plays loudly in his head.

On other days he can be found crouched by the River Leam, rinsing the trousers of his trademark Santa costume after a little "accident".

In the summer he can often be seen arguing with bullfinches in Victoria Park, while when winter grips Warwickshire in its icy claw he retreats to the Covent Garden multi-storey car park to sniff vapours.

Dignity

But 39-year-old Arnold still has his dignity – which is why he HATES being mistaken for Foreign Secretary Dominic Raab!

Arnold said last night: "OK, I may be going through a bit of a rough patch at the moment.

"But whenever I feel a bit low, I can tell myself 'At least I'm not that Dominic Raab chap'.

"Yes, there is a certain facial similarity, I'll grant you that. And I have been approached by several TV companies recently who all want me to appear on screen.

"But it's below me to be associated with that man. I've got standards you know."

The actual Dominic Raab steered into stormy waters last week when he said he thought that "taking the knee" – the stance adopted by Black Lives Matter protesters – was something from the tits and dragons TV show *Game of Thrones*.

Needless to say, the throwaway line comment caused some kerfuffle on social media.

Bold crooks dressed as coppers for gems heist

TWO men who posed as cops and robbed a jewellery store in a brazen daytime heist have been arrested.

The robbery took place on the afternoon of June 6 when Ismael Igartua and Jose Rodriguez, both 59, allegedly entered the jewellers and identified themselves as cops to the owner.

Prosecutors said in a statement: "Igartua and Rodriguez asked for permission to enter the jewellery store and requested to examine the store owner's properly permitted firearm, claiming that, due to the recent looting of commercial establishments in New York, firearms were at risk of being stolen.

The store owner handed over his gun when the suspects, who were armed with two firearms of their own, tied him up and stole gems worth £150,000.

The crooks were caught a short time later in a subway station several blocks from the location of the heist.

They were each charged with robbery, brandishing a firearm and of being a felon in possession of a firearm – all of which could see them banged up potentially for life.

Nude nut faces police dog rap

A MAN who climbed onto a level crossing sign and threw rocks at people while naked is now facing charges after he punched a police dog.

Brandon Jackson (*above*), 39, was arrested following a 13-hour stand-off with police.

Officers said he fought with the police dog when he was taken into custody, reportedly putting the animal in a headlock before punching it several times.

Jackson was arrested and hauled off to the nick where he was charged with assault, reckless endangering, criminal trespass, vandalism, public indecency and disorderly conduct.

A police source in Eugene, Oregon, said: "One word: meth."

ST ALBANS HOSPITAL

POLICE were called in to probe the filming of a porn movie which included clips from busy St Albans City hospital.

The opening shot cuts from two innocent nurses to an adult actress wearing scrubs and a lanyard from the east London NHS Trust.

She's seen performing oral sex on a man in the corridor.

The hospital later insisted any such scenes were spliced in with separate footage of the hospital.

SEX ON SET: Porn stunnas perform at *Grand Designs* gaff

COMING IN A PLACE NEAR YOU!

By JUSTIN DUNN
news@sundaysport.co.uk

IT'S an estate agent's worst nightmare – or his greatest sexual fantasy...

Taking punters around a property for a viewing, only to find a load of naked bodies romping in the living room!

Last week we revealed how swanky house "Pavello" in Colgate, West Sussex, which once appeared on Channel 4's *Grand Designs*, was later used as the set of a steamy lesbian porn flick.

The five-bed property was built by Clinton Dall, 56, who invited the show's presenter Kevin McCloud in to keep tabs on its progress.

But it was also later used as the set for the French-made *Lesbian Games for These Three Stewardesses*, where three air stewardesses cavort on a large table where Kevin and Mr Dall had discussed the rollercoaster of building the £3.5m home.

Today we take a look at other landmarks used by cheeky flesh flick producers to record their X-rated scenes...

NAPOLEONIC WAR FORT

PLAYBOY TV movie *Tight Rider* was filmed in the warren of tunnels at Amherst Fort in Kent – built to help defend Britain's shores from Napoleon's rampaging army.

The X-rated film is an erotic spoof of 1980s classic TV series *Knight Rider* starring porn stars Natalli D'Angelo and Mark Sloan.

It follows the explicit antics of "America's finest undercover agent" Michael Tight, who spends his time taking down criminals before then having sex with lovers.

USE, WE REVEAL PORN STARS WHO ARE...

CRAZY GOLF COURSE

PORN stars got into the swing of things at Digbeth's Ghetto Golf crazy course – by filming an adult movie at the venue.

Customers were shocked to find hardcore scenes had been filmed at the indoor warehouse attraction at The Custard Factory on Gibb Street, Birmingham.

Extreme sex acts were shot next to the first hole – a graffiti-covered novelty bus where partygoers would later sit at the wacky 18-hole and cocktail bar venue.

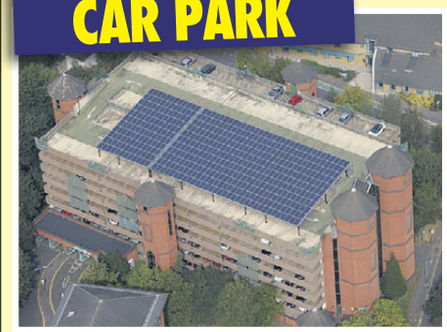
BUDDHIST TEMPLE

A COUPLE sparked outrage in Myanmar by filming themselves having sex at a sacred Buddhist temple and posting it on PornHub.

They stripped off in broad daylight at a pagoda in the ancient city of Bagan, the country's best-known tourist destination and a UNESCO World Heritage Site.

The amateur porn stars posted the vid under their profile name "YeeesYeesYeees" where they described themselves as a couple with piercings and tattoos.

MULTI-STOREY CAR PARK



SEVERAL Porn films were shot in broad daylight in a London council car park.

Sutton Council passed footage of an explicit film showing sex on the top floor of the Gibson Road car park to the police after it was uploaded to an internet porn site.

In the professionally shot 11-minute HD clip, a taxi also drives around the borough with a "client" performing X-rated oral scenes in the back seat while the civic offices can clearly be seen in the background.

HOUSE WHERE THEY FILMED THE KING'S SPEECH

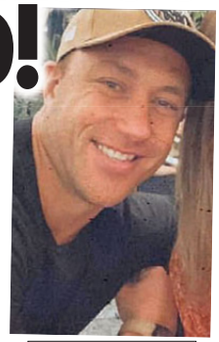
***THE King's Speech*, winner of four Oscars and several BAFTA awards, was filmed in the same location as a gay porn film.**

Much of the film was set in the office of speech therapist Lionel Logue's, played by Oscar nominee Geoffrey Rush, at 33 Portland Place in London.

The same address as gay porn director "Jonno" shot *Snookered* for the website *UK Naked Men*.

DIRTY SIR TOLD TEEN: IT FEELS SO GOOD!

By ROB TAYLOR
news@sundaysport.co.uk



JAILED: Duncan

A TEACHER told a teenage pupil he was shagging: "This is so wrong, but it feels so fking good!"**

Now Gavin Malcolm Duncan has been jailed for having a sexual relationship with the student that started off with him flirting with her in the classroom – and progressed to him paying for an Uber for her to come to his house.

Duncan, 32, from Jamisontown in Sydney, Australia, was jailed for 15 months at the Penrith District Court after pleading guilty to three counts of having sex with the 17-year-old Katoomba High School student in 2018.

Texting

In 2017, the pair began talking about personal matters in the classroom before Duncan gave her his mobile number and they started texting outside of school.

These exchanges culminated with the teacher paying for a taxi to drop her at his home.

As she was leaving his house after they'd had sex, he told her he'd "f**k her in the classroom" at school the next day.

The pair arranged to meet again twice more for sex at his home and after the third meeting he said: "Everything about this is so wrong, but this feels so f**king good".

However, a week later, Duncan told her he feared being caught and told her they should stop having sex as he feared she may report him out of spite.

But the sex continued after the student turned 18 and until she graduated from the school.

In 2019, the school's principal confronted Duncan about rumours circulating that he'd been in a relationship with the student.

He later confessed to a fellow teacher who then contacted police, and he was suspended from teaching.

He will be eligible for parole in January.

VEG HAUL

RELIGIOUS police in Saudi Arabia swooped on a suspicious warehouse and seized nine tons of illegal ONIONS in the holy city of Mecca.

A 38-year-old woman was caught crossing into the USA from Mexico near El Paso, Texas, with a POUND of crystal meth hidden in her "vaginal cavity", drug cops said.

Woman, 48, caged for sex with teen lad

A WOMAN has been sentenced to 15 years in prison for having sex with a teenage lad who had passed out drunk.

Barbara Gentry, 48 (*above*), admitted she had sex with a 14-year old lad who was unconscious at the time because of alcohol intoxication and prescription medication.

Gentry, of Richmond, Kentucky, admitted this happened on "multiple occasions in 2013".

She was arrested by Kentucky State Police in March last year.

Gentry also provided or allowed someone else to provide the teen with controlled substances other than marijuana and allowed another person to have sex with the child after the teenager was unconscious.

It's not known if the other person mentioned has been charged.

DEANO ON SUNDAY

So why won't these lefties protest against modern-day slavery?

THEY must be feeling very proud of themselves, those "Social Justice Warriors".

Every self-important "Black Lives Matter" tweet they share.

Every puffed-up selfie they take at a demonstration against a long-dead empire-builder in Oxford.

Every preposterous snap they post to Instagram showing themselves "taking the knee".

Every furious tweet they send in the latest "pile-on" against an individual or company who has not sufficiently humbled itself before the altar of "diversity".

These virtue-signalling keyboard warriors, so keen to criticise the actions of white men who have been in their graves for centuries.

They look so happy when statues of men they had never heard of until two weeks ago are flung into the sea.

Saintliness

These fools must bask in their own saintliness.

Well, these morons should read a little more.

Because the smart phones, laptops and tablets they use for their electronic campaigning are – almost certainly – drenched in blood.

The rare metals that make these devices work were hacked from toxic ground by African people – many children – working under conditions that we could describe using one word:

Slavery.

Slavery that's happening right now – as I write this, and as you read it, too.

Cobalt is a metal found in every lithium-ion rechargeable battery on the planet – from smartphones to tablets to laptops to electric vehicles.

You cannot send an email, check your Twitter 'likes', share a photo of the Black Lives Matter in the front window of your comfortable suburban house, without using cobalt.

More than 60% of the world's supply of cobalt is mined in the Democratic Republic of Congo – one of the worst places in the world.

Much of it is dug out by hand by local people paid literally pennies, with absolutely no protection against the highly-toxic ore.

Hellish

A report in 2018 found that at least 35,000 children as young as six were working in these hellish mines.

The raw ore is sold for a pittance to Chinese overseers and exported to China – where it ends up powering the guts of electronic devices.

The devices used by posturing lefties to rage against Cecil Rhodes or Edward Colston or whoever else has attracted the ire of the hypocritical mobocracy.

Many of the Congolese slaves die – of poisoning, under collapsed rock, of sheer exhaustion.

They end up as dead as George Floyd.

But nobody riots for them.

FROM THE HEART OF RESPECATABLE MIDDLE ENGLAND, A *VERY* MODERN STORY FOR FATHER'S DAY . . .

My dad's now called Gloria...and it's shagging my husband!

SNAPPED: Helen is no orangutan

By BARNEY SAMUELS
news@sundaysport.co.uk

TOLERANCE has its limits...

Helen Leader considers herself quite liberal and happily wore a rainbow-coloured lanyard at work during Pride Week to show off her solidarity with the LGBTQQI+ community.

Her right-on credentials were tested when dad Gordon decided that, after 40 years of marriage to mum Hazel, he wanted to be a woman called Gloria.

But when Helen caught hubby Michael being enthusiastically fellated by "Gloria" at their home in Biddulph, Staffs, her patience snapped.

Freak

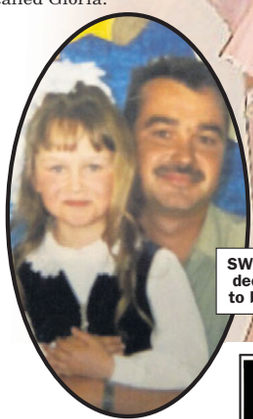
She told *Sunday Sport*: "Can you imagine it? Coming home from work to find your own husband – with whom you exchanged vows not three years ago – being sucked off by your freak of a dress-wearing father?

"The same father who insists you refer to him as 'she' and 'her'? He's a f**king perv who likes wearing dresses.

"He's no more a f**king woman than I'm an orangutan! F**king oddball. And Michael's no better.

"I should have known this was coming when I found pictures from the website *Sri Lankan Chickboys Do It For Money* on his laptop. He said he'd been hacked – and I believed him.

"F**king pair of freaks! No wonder Mum took to the drink.



SWAP: Gordon (*left*) decided he wanted to be Gloria (*above*)

Rehab

"She went into rehab again last week – for the third time.

"I'm heading the same way myself.

"Tell you what, that nut's getting no Father's Day card off me.

"No thank you!"

Gloria and Michael, who are now living together in Hanley, refused to comment.

IN view of Helen's refusal to properly refer to her father using the pronouns "she" and "her" and instead using the word 'it', we have since reported her to the diversity authorities.

Meg: I'm a dirty girl!

STRING TO HER BOW: Meg's latest post and (*below*) her comment

SCORCHING Megan Barton Hanson sent temperatures soaring in her latest steamy Instagram post.

The *Love Island* star, 26, showcased her killer curves in low cut PVC trousers which showed her teeny-tiny G-string.

Megan teamed the dominatrix look with a matching bandeau crop top, which showed off her ample cleavage and featured corset detailing.

Megan cheekily captioned the shot: "Too dirty to clean my act up".

One fan slobbered: "I know she's dirty – I've seen that video on the internet when she gets a big dildo right up her wet minge.

"I tell you, I could fill a bath with the mess I've lost over this poppet!"

THE CURSE OF THE HEXHAM HEADS!

REAL LIFE X-FILES

PURE EVIL: The strange heads boys found in their garden have haunted all who have been close to them

By NELL GOODMAN
news@sundaysport.co.uk

LURKING somewhere in the UK are two fist-sized stone heads with creepy grins etched on their faces.

You might think they'd make unusual ornaments, or quirky bookends, but should you see them in an antique shop or at a car boot sale, avoid them like the plague.

That is, of course, unless you want to be visited by an evil WEREWOLF that has haunted every other owner of these cursed rocks.

It began with joyful child's play in the garden of a family home in the Northumberland market town of Hexham, located 20 miles west of Newcastle upon Tyne.

Unleash

Young brothers Colin and Leslie Robson were messing around in the undergrowth back in 1971, poking their spades through the soil.

But what rolled into view from the earth would soon unleash an evil that had lain dormant for decades.

The objects, which appeared to be made from stone, were roughly spherical and quite grotesque.

Each 'skull' boasted a grinning visage. One was later dubbed 'The Boy' – with 'hair' running back from its forehead. The other was christened 'The Hag' or 'Witch' on account of its beaked nose and sinister, bulging eyes.

Colin, then 11, brought the objects back indoors to show his parents – and over the following weeks bizarre incidents began to plague his poor family.

The heads, now placed on a shelf, began to turn around of their own accord during the night, always ending up facing the same direction, as if anticipating an arrival.

Then the poltergeist-like paranormal activity started. Bottles flew across the room, smashing against the wall in the middle of the night. The Robsons also reported strange movements around downstairs.

Their residence was semi-detached and it wasn't long before the adjoining property began experiencing terrifying occurrences, too.

And what happened to Mrs Ellen 'Nelly' Dodd, who lived next door, made headlines.

Ellen had been tending to her poorly daughter when a "half-man, half-beast" entered the room, leaving them paralysed with fear.

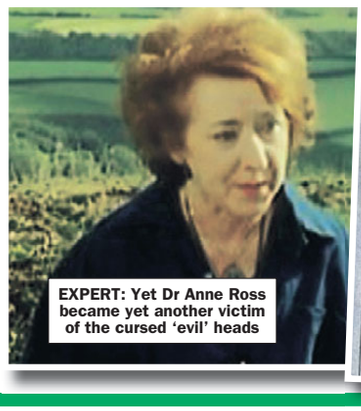
She revealed: "I'd gone into the children's bedroom to sleep with one of them, who was ill. My 10-year-old son, Brian, kept telling me he felt something touching him. I told him not to be so silly.

"Then I saw this shape. It came towards me and I definitely felt it touch me on the legs.

"Then, on all fours, it moved out of the room."

Ellen was convinced that the beast was "searching the room for something". Was it the two stone heads in the Robson house next door?

The police were summoned and the press had a field day, but the Robsons and Dodds stuck to their bizarre and frightening stories.



EXPERT: Yet Dr Anne Ross became yet another victim of the cursed 'evil' heads

MYTH OF THE 'EVIL' HEADS

WHO knows best about the two mysterious heads dug up in a Tyneside garden?

It's a Wild, Wild World

Parents sue for naughty Ina

Gulp!

SEARCHING: Victims say a werewolf was after the heads

'It moved out of the room on all fours'

BEASTLY: The stones seem to summon up an inhuman demon

The Dodds were so disturbed by the experience they even had to be rehomed by the local council.

By this point the Robsons had put two and two together and realised the events had begun at the same time the heads were discovered.

The relics were promptly donated to the Museum of Antiquities at Newcastle University.

Two years later, the heads were being studied at the University of Southampton by Dr Anne Ross, an archaeologist and expert in Celtic folklore.

Dr Ross, who recently passed away, was convinced the heads dated back to the Roman-British period 1,800 years ago.

Victim

But when she took the heads home for closer inspection, the curse claimed another victim.

She recalled: "I didn't connect it with the heads, then. We always keep the hall light on and the doors open because our small son is a bit frightened of the dark, so there's always a certain amount of light coming into our room.

"I woke up feeling panic-stricken and terribly, terribly cold. There was a sort of dreadful atmosphere of icy coldness all around me.

"Something made me look towards the door, and as I looked, I saw this thing going out of it.

"It was about six-feet high, slightly stooping, and it was black against the white door.

"It was half-animal and half-man. The upper part, I would have said, was wolf and the lower part was human.

"It was covered with a kind of black, very dark fur. As it went out I saw it clearly."

Dr Ross didn't breathe a word about the creature for fear of ridicule, but then her daughter, Berenice, encountered the entity just a few days later while sitting in the house on her own – the Hexham Heads only feet away from where she sat.

Dr Ross said: "Berenice had opened the front door and a black thing, which she described as a werewolf jumped over the bannister and landed with a kind of plop. It padded with heavy animal feet, and rushed to the back of the house.

"The day the heads were removed everybody said it was as if a cloud had lifted.

"These heads are extremely evil. Whatever age they are they have attracted some medieval power. Perhaps they were buried on the site of a Celtic memorial."

The heads ended up in London's British Museum, where scientific analysis, surprisingly, was unable to determine their precise age.

"They were displayed, briefly, before being mothballed amid rumours of "unsettling events" in the famous and prestigious building.

Chemist Don Robins – who was convinced the quartz minerals within the heads acted like a "transmitter", replaying past events – attempted to take them home.

But when he put them in the passenger seat of his car and turned on the ignition, the dashboard electrics went dead.

He turned to look at the heads, telling them firmly to "Stop it!", and the car started!

Nowadays the whereabouts of the Hexham Heads remains a complete mystery.

Officially, they're classed as 'lost', though many suspect they're firmly under lock and key to protect the public.

'It was about six-feet high, slightly stooping'

THE CRYING BOY PAINTING

ITALIAN artist Giovanni Bragolin painted a picture of a crying boy that became popular in the 1950s. Many prints of it were made and sold worldwide.

In 1985, a number of firemen claimed to have noticed that these prints were in multiple houses destroyed by fire… although the prints had emerged unscathed from the blazes.

Across the world, families instantly removed the image from their homes.

THE DYBBUK BOX

THE story goes that a holocaust survivor accidentally summoned a demon – or 'dybbuk' in Jewish folklore – while using an Ouija board, but was able to TRAP it in a ceremonial wine cabinet.

Many years later, one Kevin Mannis bought the cabinet at garage sale in 2001 – and was immediately plagued by a vicious entity he called "a hag".

The last owner, Jason Haxton, suffered hauntings soon after buying the cabinet.

He also started to develop an unexplained skin disease and began coughing up blood.

He's since sealed the box and hidden it from the world. The story was told in 2012 film *The Possession*.

THE ALPS ICEMAN

THE mummified remains of a 5,000-year-old man were discovered in the Austrian Alps in 1991. In the following 13 years, seven of the people who found 'Ötzi' died, most of them suddenly and not of natural causes.

One perished in a car wreck on the way to give a speech about the mummy, others met their fate via avalanches, cliff falls and rare blood disorders.

Councillor's arse gets some chop stick after dodgy mayor voted out

A POLITICIAN broke more than FIFTY chopsticks with his ARSE to honour a promise to voters.

Councillor Chiu Wei-chieh (*above*) scoffed at an attempt to oust Han Kuo-yu as mayor of Taipei in Taiwan.

Mayor Han had angered locals after reportedly breaking campaign promises and faced a referendum to throw him out of office.

Loyal councillor Chiu predicted that the mayor would easily survive the vote and vowed to snap a chopstick with his arse for every 10,000 votes above 400,000 in favour of the mayor's removal.

As it was, 939,090 voted to sack the mayor – so Mr Chiu snapped 53 chopsticks using just his backside on local TV news.

LESBIAN TEACHERS RAN TEEN SEX 'HAREM' AT HIGH SCHOOL

FULL OF LUST: Daughtry and (*below*) Favela betrayed the trust in them with depravity

Pair had pick of the volleyball team, cops say

PARENTS watched their daughters with pride as the girls of James Kenan High School volleyball team swept all before them.

Also watching was their coach Angelica Favela but it was not just pride in her eyes – it was also LUST.

For as Favela and fellow teacher Jessica Daughtry watched the 15- and 16-year-old girls they were admiring their taut bodies and slender

coltish legs…and selecting recruits for their lesbian teen "harem".

Over the course of a year, they pair selected no fewer than seven girls from the team.

The girls were showered with gifts, taken on nights out, plied with alcohol – then used as sexual playthings to satisfy Daughtry and Favela's insatiable lust for teen flesh.

The girls were taken to motel rooms where their private areas were probed, licked and penetrated by their trusted teachers.

Daughtry, a science teacher at the school in Warsaw, North Carolina, regularly gave members of her "special gang" inflated grades.

One girl who had orally stimulated Daughtry's anus was allowed to pass her 10th grade despite having flunked her exams.

Daughtry and Favela also kept what police describe as a "substantial" cache of

photos and videos of their victims naked or performing sex acts on each other.

One video shows four girls URINATING on another naked pupil as part of an "initiation ceremony" into the gang.

Daughtry and Favela can be seen in the background, masturbating as they watched the depraved scene.

Both Daughtry and Favela have now been arrested and charged with multiple counts of sexual activity with a student.

AS WE MARK 50 YEARS OF TOPLESS BABES IN NEWSPAPERS, SUNDAY Sport PRESENTS...

THE HOTTEST PAGE THREE GIRLS EVER!

PAGE Three is an institution as British as fish and chips, Benny Hill and the *Carry On* films.

And this year, Page Three turns 50.

On Thursday, left-wing C4 screen a documentary on the Page Three phenomenon – which has brought us massive names such as Katie Price, Sam Fox and Linda Lusardi.

It's no secret that *Sunday Sport* did not invent the Page Three girl.

That accolade goes to *The Sun* which, on November 17, 1970, published a topless picture of German supermodel Stephanie Rahn on their page three.

Sixteen years later, *Sunday Sport* was born and since then, this newspaper has been the genuine home of glamour babes.

By SUZIE SHELDON
news@sundaysport.co.uk

In 2015, *The Sun* – which had been taken over by chin-stroking London Marxist metrosexuals – betrayed its working-class readership by DROPPING topless models on Page Three.

Your *Sunday Sport* rode to the defence of the working man by INCREASING the number of topless models in the paper.

And now, boldly standing against a tidal wave of "woke" nonsense peddled by wobbly-lipped she-men, your *Sunday Sport* is the ONLY paper keeping the Page Three tradition alive.

Today, we proudly present 16 pages of the HOTTEST Page Three girls ever – as we look forward to the NEXT 50 years!

10 things you might not know about WILLIE THORNE

THE world of snooker lost one of its finest gentlemen last week when player and commentator Willie Thorne passed away in hospital in Spain. He was 66.

Here are some facts about the bald-headed green baize favourite as our tribute...

1 WILLIE became national under-16 champion at snooker in 1970 and turned professional in 1975.

2 DESPITE that early promise, he only ever won one ranking snooker tournament, The Classic in 1985.

3 THE same year, he reached the UK Championship final against Steve Davis. Willie seemed to have an unassailable 13-8 lead. But a miss on an easy blue in the final session allowed Davis to take the frame and go on win.

4 HE peaked at No 7 in the rankings in the mid-1980s, while also battling a serious gambling problem.

5 HE bet £38,000 on a match involving John Parrott, betting that he'd lose. Parrot came from behind and won. Willie was commentating on the game!

6 WILLIE first began commentating on snooker for the BBC during the 1980s, and he continued to work on the BBC's snooker coverage until the end of the 2017/18 season.

7 HIS bald head made him instantly recognisable and he was often referred to as the "Homer Simpson of Snooker".

8 WILLIE featured in the popular song *Snooker Loopy*, written and performed by Chas & Dave. In the verse which begins "but old Willie Thorne, his hair's all gorn", Thorne's cameo line was "Perhaps I ought to chalk it"!

9 IN his personal life, Willie was married to former Miss Great Britain winner Jill Saxby and lived in Broughton Astley, Leicestershire. One of his best mates was Gary Lineker.

10 HE competed in Series 5 of *Strictly Come Dancing* with pro dance partner Erin Boag, before being voted out on October 20, 2007 in 12th place.

SEXY BACK END!

LOADS OF BABES, TELLY AND CHAT

Leah & Daisy get in a rude mood

By WENDY THOMAS
news@sundaysport.co.uk

DON'T worry, we didn't ask Daisy Watts and Leah Francis to break social distancing rules for this snap.

This photo of the bosom buddies was taken BEFORE the UK lockdown and we've pulled it from our vaults.

Daisy, 25, and Leah, 28, stripped to bare their boobs and spoke about what they love to wear when they're in the mood for bonking.

Brunette Daisy, of Chelmsford in Essex, showed off her 32C norks and said: "I love wearing suspender belts and matching bra and knickers."

And blonde Leah, from Southampton, who boasts 34GGs, added: "Clothes are a pain – so I just prefer to be naked!"

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Rachel and Sophie from Bristol...

RACHEL BENNETT
AGE: 21
FROM: Bristol
OCCUPATION: Bank worker
FAVE DRINK: Jungle Bird
FAVE FOOD: Italian
FAVE FILM: Casino Royale
FAVE ACTOR: Daniel Craig
FAVE HOLIDAY: Mallorca

SOPHIE CARRICK
AGE: 20
FROM: Bristol
OCCUPATION: Shop assistant
FAVE DRINK: Cosmopolitan
FAVE FOOD: KFC
FAVE FILM: Long Shot
FAVE ACTOR: Josh Holloway
FAVE HOLIDAY: Ibiza

STRANGEST PLACE

RACHEL: Have you shagged in any strange places?
SOPHIE: Yes, I once had sex on a beach with a guy I pulled on holiday. It was our last night together and we thought it would be romantic, so we waited until everyone had gone to bed and then sneaked out.
RACHEL: Was it romantic?
SOPHIE: Yes, it was a turn-on. The best bit was when people spotted us and watched us shagging. That was a huge turn-on, it was like being in a porno!
RACHEL: I once did it in the middle of a cricket pitch with one of the cricketers at my local club. I pulled him after the match and then we sneaked out onto the pitch for a quickie.
SOPHIE: Was it fun?
RACHEL: Yes, he was a great lover and we had sex for about half-an-hour! It was great.

FAKING IT

SOPHIE: When a guy isn't getting anywhere during sex, I usually just fake it to get it over and done with. Do you fake it much?
RACHEL: Yes, quite a lot actually. Sometimes it's the only way to make the guy stop porking you!
SOPHIE: I agree. Some guys just won't give up until they've made you orgasm, so faking it is easier on everyone.

KINKY SEX

RACHEL: Do you like kinky sex?
SOPHIE: Yes, I love spicing things up a bit in the bedroom. I use things like food, handcuffs and blindfolds to make things more interesting.
RACHEL: Which is your favourite?
SOPHIE: Probably the handcuffs. I love slapping them on my boyfriend and then having him at my mercy!
RACHEL: The thing I love is when I get my bloke to talk dirty to me while we're having sex. That really turns me on.

LESBO LOVIN'

RACHEL: Do you find other girls our age attractive?
SOPHIE: Yes, I got really steamy with one of my girlfriends when I was in sixth form. We were at a house party, got drunk and ended up in bed together.
RACHEL: How far did you go?
SOPHIE: Only a bit of finger pie, but I really enjoyed it. She pushed all my buttons and I found it a huge turn-on.
RACHEL: I've been all the way with a girl before, too. Me and one of my friends got drunk at my house one night, we started snogging and then went to bed!
SOPHIE: Did you go down on her?
RACHEL: No, but I did just about everything else! I loved it, I think girls have a much gentler touch. Next time I'll definitely go down, it's fun.

BUM FUN

SOPHIE: Have you tried bum sex yet?
RACHEL: No, all my friends have tried it and they hated it, so I've always opted out. I'd have to be extremely in love with a guy to give him my bum virginity!
SOPHIE: Hey, you're really missing out! I've done it with loads of my partners and I've grown to really like it.
RACHEL: Is it not painful?
SOPHIE: No, not when you do it right – and it goes without saying that blokes go mad for it! I'll definitely carry on doing it.

FIRST-TIME SEX

RACHEL: How was your first time?
SOPHIE: It was okay but it could have been better. I was 16 when I lost my cherry to my boyfriend. We were at a house party and then when everyone had gone to sleep we had sex on the sofa.
RACHEL: Did it live up to your expectations?
SOPHIE: Yes, he had done it a few times before, so he knew the ropes. He shagged me for about 20 minutes and I enjoyed it.
RACHEL: I lost my cherry to my fella when I was 17. My first time was amazing, he was like a rabbit and we had sex five times over several hours!
SOPHIE: Did you enjoy it?
RACHEL: Yes, he was obviously quite a bit more experienced and he concentrated really hard on giving me my first orgasm. I thought sex was amazing!

> **"I love kinky sex – I use food, handcuffs and blindfolds to spice things up a bit in the bedroom"**

ONE-NIGHT STANDS

SOPHIE: I've had three one-night stands. One of them was really good, but the other two were pretty bad.
RACHEL: How come?
SOPHIE: The guys were too drunk. The good one was really good though! He was really fit, adventurous in the bedroom and he had a big willy as well! What a catch!
RACHEL: I've had four one-night stands. Two were good and two were bad, like yours were.
SOPHIE: Would you have another one?
RACHEL: Yes, I definitely will. I'm young, free and single! Let's be honest, that's what you do when you're young!

OH-NO MOMENTS

SOPHIE: I've never been so embarrassed as I was on holiday last year. I pulled a guy and took him back to my apartment with the intention of having sex. Unfortunately, it was dark and when I tried to open what I thought was a condom it actually turned out to be a Gaviscon sachet and it went into my eye!
RACHEL: What did you do?
SOPHIE: I ran to the bathroom to wash it out! My eye was fizzing and it really hurt. When I got back to the bedroom, he'd gone!
RACHEL: My worst moment was when my boyfriend's brother came into the room and caught us shagging – he was looking for some glue!
SOPHIE: Was he shocked?
RACHEL: Yes, he stared for about a minute and then legged it! It was awful trying to be normal around him afterwards.

WILLY SIZE

SOPHIE: What's the biggest willy you've had?
RACHEL: My ex had the longest one, it was about seven inches. The only problem was that it was really hairy, so I was never keen on giving him a blowjob!
SOPHIE: Was he a good shag though?
RACHEL: Yes, it felt great and he always made me come. I definitely think size matters.
SOPHIE: I used to date a guy who had an eight-inch willy. I must admit he was a very good shag and it did feel better because it went in deeper.
RACHEL: Do you prefer big ones?
SOPHIE: Yes, but size doesn't bother me that much. Technique is much more important.

SEX TOYS

RACHEL: Are you a big fan of sex toys?
SOPHIE: Yes, I love my remote control vibrator. I put it in, then go shopping with my bloke and give him the remote!
RACHEL: So he gives you orgasms as you're walking along?
SOPHIE: Yes, it's great fun! I used to come all the time in Sainsbury's and no one around me had any idea!
RACHEL: I've got a dildo called Big Boy, it's massive and it feels great!
SOPHIE: Does it make you come?
RACHEL: Yes, every time! I always lose my breath because it must be about 10 inches long, it certainly lives up to its name!

THREESOMES

SOPHIE: Would you ever take part in a threesome?
RACHEL: Yes, I bet it would be amazing if you had sex with another girl and a guy! It'd give you the chance to get steamy with a girl but also get rogered!
SOPHIE: I'd love to do that as well. I think it would be too weird with two blokes, because I wouldn't want them to be doing anything to each other! But if they just concentrated on satisfying me, they'd wear me out!

ELLIE'S OFF TO SHOP!

SUNDAY Sport SEXY BACK END!

PERT-BOOBED Ellie Taylor knows just how to spend her ideal Sunday...

By WENDY THOMAS
news@sundaysport.co.uk

Shopping!

And that's exactly what the teen minx plans on doing today!

She said: "People make fun of Milton Keynes where I live and say that it's a bit boring.

"And over the last three months during lockdown, it has been.

"But now that the shops are open again I can go to all the amazing retail parks we have here.

"We have a massive Primark near the MK Dons stadium but I don't think I'll venture there as the crowds looked a bit lively.

"And even though we're not allowed to try on clothes in the stores, I can still SHOP!

"HOORAY"

But one thing will be missing.

Ellie said: "What I really like after a shopping spree is a nice, hearty carvery meal.

"But all the pubs are still shut so I won't be able to have a slap-up Sunday lunch until after July 4 – fingers crossed!"

Inside the Factory: Keeping Britain Going Biscuits Update – BBC2, 8pm

GREGG Wallace checks in with one of Britain's biggest biscuit factories, chatting to some of the workers via video calls to find out how they are coping during the Coronavirus pandemic.

He speaks to manager Nina Sparks, who he met during his visit back in 2017. Nina reassures him all the ingredients for the biscuits are still getting through, including the flour that has been missing from many supermarket shelves.

Nina agrees to be Gregg's 'roving reporter', to show him what's changed on the production lines to meet demand, and what new safety measures have been put in place to keep the staff safe.

Last in the series.

A aboard for an impressive ride

The World's Most Scenic Railway Journeys – C5, 8pm

BILL Nighy narrates a train journey across Sri Lanka along one of the world's best-preserved Victorian railways.

The trip begins in the coastal city of Colombo and moves on to the country's cultural and spiritual heart in Kandy.

It continues through a very English town that produces some of the world's finest teas, coming to a stop at a hill station surrounded by tropical forests close to one of the world's most spectacular viaducts – the Nine Arch Bridge.

OF THE TELLY

By BARNEY SAMUELS

This film is magificent!

The Magnificent Seven – BBC2, 2pm

THIS is what Sunday afternoons were made for – a few tinnies and a good Western. And few Westerns are better than this one.

Oppressed Mexican villagers cross the border into America looking to buy guns to defend their homes and crops from bandits.

Instead they encounter an enigmatic loner who persuades them to hire a band of gunslingers to teach the villagers how to fight before the marauders return.

Stars Yul Brynner, Steve McQueen, Charles Bronson, Robert Vaughn, James Coburn and Eli Wallach.

Lost Pyramids of the Aztecs – C4, 8pm

PART one of two. Archaeologists unearth the remains of the ancient civilisation from beneath Mexico City, digging deeper than ever before to find out who the Aztecs were and how they built their remarkable empire.

The first episode features an attempt to build a replica of a pyramid, as well as investigating the mysterious pyramid ruins being unearthed, and a journey into a set of underground tunnels that have lain undisturbed for centuries.

All the Money in the World – C4, 9pm

THE kidnapping of 16-year-old John Paul Getty III, heir to his grandfather's vast fortune, was one of the biggest news stories of the 1970s.

The boy was held hostage for six months while his mother (Michelle Williams) begged the family patriarch (Christopher Plummer) to pay for his safe return but he only relented when the ransom was significantly reduced to a figure within a tax-deductible threshold.

Plummer (a late replacement for gropey Kevin Spacey after filming had already wrapped) is hugely impressive as the ruthless, heartless tycoon, and there's strong support from Mark Wahlberg as his ex-CIA adviser.

TUESDAY

Alan Bennett's Talking Heads – BBC1, 9pm

NEW series. New performances of Alan Bennett's monologues. Imelda Staunton performs *A Lady of Letters*, the story of a woman who compulsively spies on her neighbours.

She becomes fascinated by a little girl who lives across the road, who displays some unusual bruises.

But when she begins sending aggressive letters to the child's parents, it leads her into trouble with the police.

It shouldn't be good – but it is.

The Choir: Singing for Britain – BBC2, 9pm

NEW series. Gareth Malone sets out to bring the nation together through music during the Coronavirus lockdown, by getting people from all walks of life to perform a specially composed song.

The first episode focuses on frontline workers, all of whom have a courageous story to tell.

Tell you what, the telly companies have been faced with huge problems filling the schedules during lockdown but they've stepped up gamely.

Their strategy of "doing something that's been done before just a little bit differently" avoids all that troublesome "imagination" lark.

DON'T MISS THIS!!!

Make Me Famous – BBC1, Thursday, 9pm

ONE-off drama about the impact of fame on reality TV stars.

A year ago, Billy thought his life was set to change forever after appearing on a constructed reality show.

But while some of his co-stars' careers are thriving, a series of tabloid kiss-and-tells force Billy's vulnerabilities to the surface.

Can he escape the reputation that now precedes him? Starring Tom Brittney, Amanda Abbington and Aiysha Hart. Written by presenter and DJ Reggie Yates.

SUNDAY Sport LEGENDS OF PORN

PART 112 EMMA HIX

IT'S a fact that Canadians are hugely under-represented in the porn business.

But 22-year-old Emma Hix is working on that…

Emma was born on October 25, 1997 in Kelowna, British Columbia, and started her grumble career four years ago.

So far she has been cast in genres such as toys, striptease, masturbating, feet and lingerie and with time she's become braver and started performing in hardcore, creampie and bum sex scenes, too.

Emma is most famous for her performance in new flick *TeamSkeet: She's New – The Chronic Clit Rubber*.

Emma has a natural body, decorated with a few tattoos and a piercing in her navel.

She is very popular on Twitter and Instagram and has more than 260,000 followers on Twitter alone.

The porn scorcher currently resides in Topanga City, California – which is a little bit warmer than Canada.

THE WORLD FAMOUS AGONY Page

Dear Sam,

MY wife and I have been married for 10 years and she often has affairs – which turns both of us on.

It was a few years back that we agreed it was OK for her to enjoy other men, and I've seen her in all sorts of filthy action.

She once invited a bloke she met in a pub back to ours and dressed up in PVC before letting him back-scuttle her at the top of the stairs.

She also had five fellas round to the house once and let them gangbang her in the living room – taking a messy load off each.

Her most recent affair is with her boss who likes to treat her like a slut. And she loves it when I go down on her afterwards.

Is this normal behaviour for married couples?

Sam says...
YOU should contact other swingers in the area and let it all hang out.

Dear Sam,

I WAS fishing on a local canal a few weeks ago when a woman stopped and asked if I'd had any bites.

I offered her a sandwich and a cup of coffee and we got on so well that she invited me to her place for a meal that evening.

But before we could eat, she peeled off all her clothes to reveal a lovely firm body.

I got a massive hard-on and she was soon sucking me off like a good 'un, paying particular attention to my swollen bollocks.

Then I took her upstairs and shot my load into her bumhole, before she sucked me off again.

What do you think of that, then?!

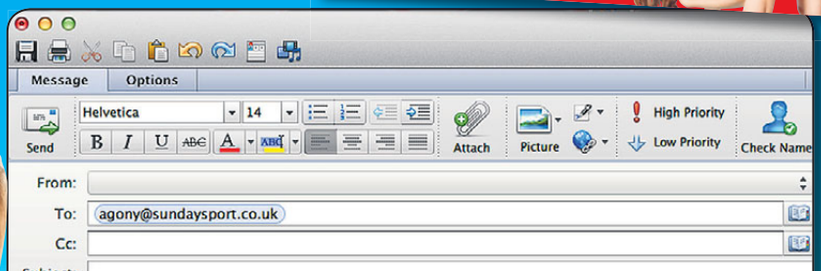
Sunday Sport SEXY BACK END!



Sexy cyclist leaves me feeling saddle phwoar

Dear Sam,

A COUPLE of weeks ago I was knocked down outside my house and, for a time, it made me the happiest man in the world.

I was just on my way to the newsagent's when a cyclist came careering around the corner and twatted into me.

Thankfully, I escaped with just a few cuts and jumped back up, ready to give the cyclist a right mouthful.

But I was stopped in my tracks when I saw that it was the beautiful blonde who lives just a few doors up from me.

She apologised and then I noticed she had a cut on her leg.

I led her to my house and got her to lie on the sofa while I cleaned and dressed her wound.

The lady was in some pain and pretty soon so was I – as my dick rose in my pants at the sight of her lying there in her Lycra shorts and top.

Then she noticed my bulge and started rubbing me through my keks as I applied a plaster to the gash on her leg.

Soon after, I eased off her shorts and buried my face in her clump, which was hot and sweaty from her exertions on her bike.

After I lapped at her fanny for some time we swapped round and she gave my rampant rod a good sucking.

Since then, we've become an item – which is fantastic.

But the problem is that she now wants me to join her on long bike rides and I'm certainly not as fit as her.

What should I do?

CH, Kent

Sam says...

ENOUGH sex with her should get you in good shape. Go for it!

Dear Sam,

MY daughter's best pal is a 19-year-old blonde and I have been shagging her for the last month.

She's brilliant in bed and loves sucking my cock and then smearing my spunk all over her firm tits.

And she has let me take up the arse a couple of times – something the missus has never let me do.

The sight of her pert arse and generous boobs lying naked on my bed never fail to get me going.

But the problem is I think my daughter saw me boning her mate last week.

I had the afternoon off work and thought the house would be empty.

I was giving her a proper seeing-to when I heard the front door slam.

As my wife was away, I figure it must have been my daughter.

It would destroy me if my wife finds out.

What should I do?

LG, email

Sam says...

STOP seeing this girl, then hope your daughter didn't see or hear anything.

Hey, what's going on? You usually last much longer?
SHIIIITTT! Aah... sorry darling, I appear to have come early. Oh well, the second half is about to start!

Sam says...

DON'T worry, the season will be over in a few weeks!

White-hot naughty nookie!

By WENDY THOMAS
news@sundaysport.co.uk

MEGA-BOOBED Angela White has a kinky sex secret – she loves BONKING in naughty places!

The Aussie beauty confessed she once had nookie in a church GRAVEYARD.

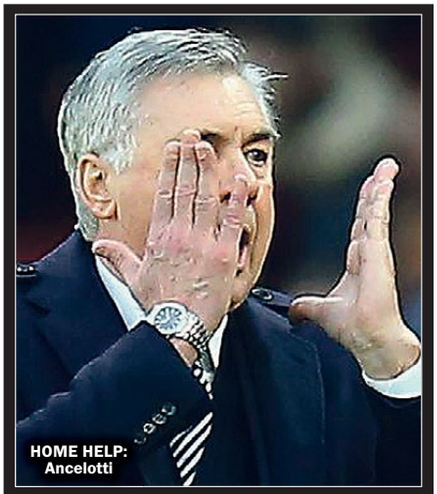
The 32G stunna said she got the WILLIES when in the cemetery – but not in a spooky way.

She revealed: "I met a fit bloke on a night out while clubbing and we couldn't wait until we got back to his place.

"We ended up in a graveyard for a quickie!

"I know it sounds a bit morbid but it was amazing – there is always the thrill that you can get caught out!"

PREMIER LEAGUE BACK ON CENTRE STAGE



HOME HELP: Ancelotti

Empty ground still Goodi for Toffees gaffer

CARLO Ancelotti says he can't wait to get stuck into Liverpool.

The Everton boss thinks his team have more chance of winning at Goodison Park — but it would be better to have supporters there.

At least Liverpool can't clinch the title at the home of their local rivals thanks to Manchester City beating Arsenal in midweek.

Ancelotti said: "I am pleased it is at Goodison but not pleased we will play without supporters.

"No one is pleased to play without supporters, and I hope soon it will be safe to have people in the stands during games.

"Everyone in football says our supporters are the 12th man, but we have to respect the procedure."

Ancelotti admits that he doesn't know how the lack of atmosphere will affect what happens out on the pitch.

He added: "We know it is not a normal game.

"Everyone in the world knows how the fans look for this game.

CROCKED: Yerry Mina

Goals

"We know really well what we have to do. We have to play a perfect game showing, character, sacrifice and personality."

While Everton fans will be relieved that the Reds will have to wait for their first title since 1990, Ancelotti insists he couldn't care less about what happens across Stanley Park.

He added: "Our goals are not about the goals of Liverpool.

"We have to do our best to reach a good position in the table and if possible to play in Europe next season, so we are not focused on what Liverpool are doing.

"If they cannot win the title at our home, this doesn't matter for us. What matters is points to improve our position."

Everton have a few injury problems as they restart their season.

Jean-Philippe Gbamin has an Achilles injury which will rule him out for another four to five months, Theo Walcott has had surgery on an abdominal problem.

There are also knocks for Yerry Mina and Fabian Delph.

Ancelotti said: "The other players are fit, in a good condition and motivated.

"When you come back from a long period five weeks is not a lot of time, but I think the physical condition is good enough to play a good game."

OUT: Fabian Delph

GOOD TO BE BACK: Klopp just wants to get the title wrapped up

KLOPP NULL AND VOID ANNOYED!

Reds boss feared season would be KO'd

JURGEN Klopp admits he was worried that the Premier League season would be declared null and void.

By PAUL THOMAS

Liverpool went into lockdown more than 20 points clear at the top of the table and cruising to their first crown in 30 years.

There was some talk that English football would go the same way as France and just call off the rest of the season.

At that stage, there were plenty of calls for the campaign to be declared null and void.

And Klopp admits he had a few sleepless nights worrying about that.

He said: "I didn't think when we went to lockdown 'Oh my god, that is our season, we are so close', because it was not important in that moment. I became worried in the moment when people started talking about 'null and void' this season because I was like 'Wow'.

"I really felt it physically. That would have been really, really hard. We don't expect to get it as a present so we didn't want to have a points-per-game basis so we were really happy when it was decided we could play again.

"There were moments when some people brought it up from time to time for different reasons but when it was off the table I felt quite relieved.

"If they had done points per game and we couldn't have played then we would have been champions but now we aren't and we have to play for it and that is great, that is how it should be in sports.

"And now we go for it. We don't think in our mind we are already there. It will be tough, tougher than tough, the next few weeks.

"But we will be fine and we will see what we have to celebrate and how we celebrate but these things are only important in the moment when it has finally happened and not before."

Charities

Klopp is proud of the way football has done its bit during the Coronavirus crisis.

Marcus Rashford has raised millions to held feed disadvantaged kids while Liverpool skipper Jordan Henderson has also been rallying the players to aid various charities.

The German is happy with that.

He said: "Let's start with what Hendo and the players did during the lockdown. I am proud of the players but not surprised because I know they do a lot of things without talking about it.

"What Marcus Rashford did was unbelievable, a little bit of a shame he had to do it as it should be natural but there was something to do and he did in in an incredible manner.

"If football is a role model for anything in life it is for equality. Everyone is exactly the same, wherever you come from absolutely the same.

"It is all about who you are not about which colour you have or which haircut you have.

"We have to stand up and do whatever we have to do and we will do 100 per cent just to solve this situation for now and the future.

"The past we cannot change but the future we can and we must try."

Magpies to blunt unlucky Blades

TOON TOPS: Saint-Maximin

IT'S great to have the Premier League back. Sunday just hasn't been Sunday without the chance to take a few quid off the bookies.

The lack of fans is making the games a little surreal for armchair fans — and it has maybe been rubbing off on the players too.

The first game back between Aston Villa and Sheffield United on Wednesday didn't really spring into life.

Even the goal-line technology was asleep when the Blades got their "goal" that never was.

It would be massively unfair if the Premier League newcomers missed out on a place in Europe because of that untimely mishap.

Imagine how much it could cost them if they fail to make the Champions League by a point.

To be so close to the top five — remember Manchester City are currently banned from Europe — shows just how well Chris Wilder is doing at Bramall Lane.

Newcastle v Sheffield United

I do not expect to see many goals at St James's Park when Sheffield United are the visitors this afternoon.

The Blades might have been denied a goal at Villa Park midweek through that now famous VAR cock up, but let's not forget they were extremely poor and rusty against Villa.

CharlieMcCann.co.uk
Tips, News and Betting Offers

We don't know if having that 90 minutes under their belt will be a plus for the Blades although I am not convinced.

United's talisman Allan Saint-Maximin was on fire prior to the break, and if there is to be a winner on Sunday, I feel it will be the Magpies.

Tip: Newcastle draw no bet 13/10

Villa v Chelsea

No Jorginho for Chelsea through suspension, but I would imagine Tammy Abraham will start for the Blues against the club he was on loan with last season when he played such an influential part in their promotion.

Villa were the better side against Sheffield United midweek, but I feel they will find Frank Lampard's side a different animal in a game where I hope to see goals.

Tip: Chelsea to win and both teams to score at 19/10 with Boylesports

Everton v Liverpool

Everton have injury concerns while Liverpool are at full strength and it is hard to look beyond a win for the Reds at Goodison.

Carlo Ancelotti did suggest that Andre Gomez would be fit for the Derby which is good news but who will play alongside the Portuguese playmaker is uncertain with Fabien Delph, Morgan Schneiderlin, Tom Davies and Gylfi Sigurdsson all in the frame.

It pains me to say it, but it is impossible to look beyond a Liverpool win.

Recommendation: Liverpool at 8/13

Manchester City v Burnley

City looked slick and sharp against Arsenal midweek and I would be surprised if they did not have too much quality for a Burnley side who sit tenth in the table and would love to end the campaign with another top half finish.

Tip: City to win to nil at 20/23 with Boylesports

FLAT OUT: Tammy Abraham

HARD TO TAKE: Chris Wilder

WILDER WANTS TO DROP OFF VAR TABLE

By PAUL THOMAS

SHEFFIELD United boss Chris Wilder says he's desperate to be knocked off the top of one particular league table.

The Blades are out and clear in the list of teams to have been cost the most points by dodgy VAR decisions so far this season.

Despite that the Premier League new boys are riding high in the action table after their midweek "draw" against Aston Villa.

They scored what should have been the winner but the goal-line technology wasn't working and didn't register the ball going miles over the white line.

Wilder said: "We are top of that league of Premier League VAR decisions going against us and from our point of view, we don't want it up on the honours board that we've won that division.

"We don't want an open-top-bus tour when we win that division of bad VAR decisions.

"We might have an open-top-bus tour if we get into Europe because if we get into Europe, this football club, it would be right up there as one of the greatest achievements this club has had for decades.

MISSED IT: Oliver

"Everybody has talked to me right the way through the season about coming to the right decision.

"Some decisions we have been disappointed with, some decisions we've agreed with. Some have gone for us and some have gone against us and we've taken it on the chin.

"We'll take this one on the chin because part of being a pro, part of being in this game, you have to deal with disappointments and we've dealt with disappointments exceptionally well.

"But I feel it's unacceptable. We should have come to a decision, VAR should have made that decision in Stockley Park. I don't think anybody would have commented on it if VAR had given it.

"But hey-ho, it won't happen again, so that's good for us and comforting. Not.

"It's not like a subjective VAR decision. The pictures are conclusive and the goal should have stood.

"Technology has let us down, but it should have been backed up by a bit of courage and I didn't see much of that on the night."

GREAL DEAL FOR £80M

ASTON VILLA will NOT sell Jack Grealish even if they are relegated to the Championship.

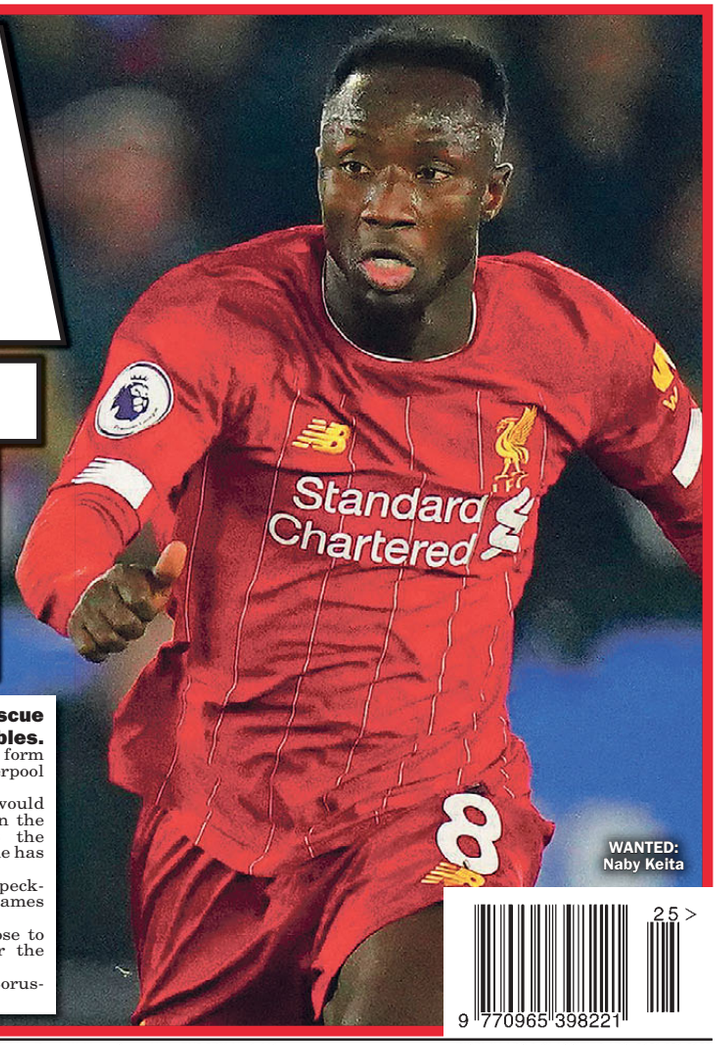
The Brummies are fighting to stay up and it's widely thought that they would lose their star player and skipper should the dreaded drop come.

That's bad news for Manchester United who are hoping to swoop on Grealish should Villa go down.

Boss Ole Gunnar Solskjaer is thought to have him at the top of his summer shopping list and doesn't mind shelling out to get a key part of his jigsaw.

But the forward won't come cheap with massive figures like £80m being quoted – and that would be the same if Villa were in the Championship.

KEITA MUST FLY



WANTED: Naby Keita

BAYERN MUNICH are keen to rescue Naby Keita from his Anfield troubles.

The midfielder has struggled with form and injuries since signing for Liverpool from Red Bull Leipzig two years ago.

Kop boss Jurgen Klopp hoped he would repeat his all-action midfield form in the Premier League. But every time the 25-year-old has broken into the side, he has picked up an injury.

And he has found himself down the pecking order even behind veteran James Milner for important games.

Now Bayern are willing to pay close to the £50m the Reds shelled out for the Guinea international.

That's a lot for a German club but Borussia Dortmund are also interested.
